

## Tokyo Xanadu EX : Item Bundle Key Serial

Download ->>->>>> <http://bit.ly/2QPkbkl>

### About This Content

Tokyo Xanadu eX+; a massive action RPG! When high school student Kou Tokisaka encounters the nightmare realm known as the Eclipse, his world is forever changed.

To use the DLC items, they must be first claimed from within the game. To claim the DLC items in-game, open the "Camp Menu" screen, select the menu option "ITEM", and navigate to the DLC tab. From there, select each of the DLC items purchased that you wish to activate in-game.

The **Item Bundle** will provide you with the following:

#### Uber Potion Set 1

A sample pack of high-grade restoration items (three of each!)

Cure Potion III x 3  
Breath Potion III x 3  
Resurrection II x 3

#### Uber Potion Set 2

A sample pack of high-grade restoration items (three of each!)
